ABOUT

Hi, my name is **Rizwan Baig** and I am a **frontend web developer**. I have a passion for creating engaging and interactive user experiences through web design and development. My main focus is on creating stunning, responsive, and user-friendly websites. I'm using the most modern development methods in my work. My subsequent support of my projects is very important to me.

WORK EXPERIENCE

Frontend Developer 02-2022 – present
Utor Solutions (Islamabad)

I started my journey at **Utor** from **1st Feb 2023**. Currently I am working as a Front-end Developer.

My responsibilities are:

- Build web applications with web development using **Html, CSS, JS** and **React**.
- Convert figma designs into front-end code with **HTML, CSS, React JS**.
- Worked with a team of developers to resolve the front-end issues.
- **Responsible** for implementation of new mainframe development projects & developed and managed project plans while providing status update to management.

UI/UX Designer Internship 10-2022 – 12-2022
National Information Technology Board (Islamabad)

I worked with National Information Technology Board as a UI/UX designer for 3 months.

At NITB services are:

- Convert **PSD** to **Html**.
- Convert **Adobe XD** to pixel perfect **HTML, CSS, Bootstrap, React** code.
- Create awesome **UI/UX** design using **Figma & Adobe XD**.
- Develop websites using **Html, CSS, Bootstrap** and **JavaScript React**.
